FOR IMMEDIATE RELEASE

MR. MAX TOMASZEWSKI APPOINTED TO THE BOARD OF DIRECTORS OF STREAM

WARSAW, Poland, January 27, 2010 - The Board of Stream Communications Network & Media Inc. (the Company or Stream Communications) (OTC Pink Sheets: SCNWF) is pleased to announce the appointment of Mr. Max Tomaszewski to the Board of Directors.

Mr. Tomaszewski brings over 30 years business experience as principal of a real estate development and investment group, directing and/or managing all facets of this enterprise including project conceptualization, risk assessment, team formation, financing, to construction and divestiture. In addition he has founded, or participated in, numerous entrepreneurial ventures including sports marketing, satellite communications, and internet application entities.

Mr. Tomaszewski has been an investor in our company for approximately 10 years and has an extensive knowledge about Stream and the cable industry resulting from his role as an advisor to the Company during the years 2006 and 2007.

Mr. Tomaszewski graduated from McGill University with a B.Sc. and University of Aston (Birmingham UK) with an M.Sc. in Industrial Administration.

"Max's extensive business experience is a welcome addition to Stream's Board. His appointment is the first step in Board's planned changes to the Company's composition of the Board and Management . As recently announced, the Stream Poland sale transaction did not complete, and hence the Company intends to make appropriate changes to enable the Company to grow and to ensure liquidity in the public market, while enhancing the value of our asset as we move towards exit. " said Jan Rynkiewicz, President and CEO of Stream Communications.

About Stream Communications

Stream Communications is a broadband cable company that offers cable TV, high-speed Internet and VoIP services in Poland. Stream Communications, together with Penta Investments, controls the 7th largest cable operator in Poland, Stream Communications Sp z o.o., focusing on the densely populated markets of Southern Poland. Via its wholly owned subsidiary Stream Investments Sp z o.o., Stream Communications is developing greenfield projects in the cable sector in Poland.
